

International Coal Ventures Pvt Limited, New Delhi

Requires competent officials for its Mozambique Operations

International Coal Ventures Pvt Limited (ICVL) has been set up by the Government of India as a joint venture company of Steel Authority of India Limited (SAIL), Coal India Limited (CIL), Rashtriya Ispat Nigam Limited (RINL), NMDC Limited (NMDC) and NTPC Limited (NTPC) with the objective of acquisition of coal assets in overseas territories to secure coal supplies on long term basis primarily for their own use. ICVL has recently acquired one operating coal mine and two green-field coal assets located in Tete Province of Mozambique.

ICVL invites applications from interested Indian Nationals having the required qualifications and experience for the following position in Mozambique, for its coal mining operations and projectisation of granted coal mining concessions through a process of personal interview:

Sl No.	Position	Responsibility	Qualifications	Experience
1.	Chief Planning Engineer	Formulating strategy & plans for expansion of existing mine and new mines in the Tete province of Mozambique.	Degree in Mining Engineering from a reputed institute.	At least 20 years of experience in mine planning and operations with at least 3 years of opencast mine planning experience with MINEX software.

Upper Age: The applicants should not be more than 62 years of age as on 21.09.2015.

No of vacancies: One

Selection: The eligible candidates will be called for interview, intimation for which will be sent through email. Responsibility of receiving, downloading and printing of interview call letter/ any other information shall be of the candidate. ICVL will not be responsible for any loss of email sent, due to invalid/wrong email ID provided by the candidate or for delay/not receipt of information if a candidate fails to access his/her mail/website in time.

Terms of Engagement:

The selected candidates would be posted in Mozambique on contract basis initially for a period of two years which can be extended at the discretion of the Company based on performance at job.

Emoluments:

The emoluments package would be commensurate with the role & industry norms, and similar or better than given in other PSUs who have overseas operations.

How to Apply:

The interested and eligible candidates should send their applications, which should contain complete bio-data giving details of name, date of birth & age, sex, mailing address, father's name, present grade & designation, date of entry into present grade, date of joining in the Company, qualification(s), details of experience in chronological order including training

undergone, etc., in support of their claim for eligibility. The details of a valid Indian passport also need to be provided along with the application.
